

## The Owl In The Tree

I saw an owl

He sat in a tree.

He opened one eye

He winked at me.

How I wonder where you're at.

Swooping through the darkest night -  
You find your way without a light.

Flutter, flutter little bat,  
How I wonder where you're at!

The fox is smart,  
And sly as can be.  
And a great big  
bushy tail has he.  
He can run very fast  
His fur is red.  
And he lives in the  
woods,  
In a tree-trunk bed.

### The hedgehog

The gardener is angry  
the gardener is cross,  
for a hedgehog steals his flowers  
and puts them in a sauce.

Roses and violets  
delphiniums as well,  
when the hedgehog is cooking  
there's a beautiful flowery smell.

The hedgehog is happy  
eating lilac-pansy roast,  
and every night for supper  
there's rose petals on toast.

Firefly, firefly,  
Wow, how you glow!  
Under your body  
You light up below!  
Firefly, firefly,  
Wow, how you shine!  
At night in the dark  
I can see you just fine!
