MANIBUS POTENTIA STUDIUM ANIMIS

25th November 2014

Dear Parents,

DUKE OF EDINBURGH INTERNATIONAL AWARD – SILVER AWARD

I am writing to inform you about the forthcoming **Duke of Edinburgh International Award (Silver)** trip that St. Paul's pupils will undertake in December. The group will leave school on Friday, December 12th at noon and return on Monday, December 15th at approx. 10.00pm.

The International Award is an exciting self-development programme available to all 14 to 25 year olds. As part of the programme, participants have to plan for, train and complete a 3 day, 2 night expedition (for the Silver Award).

Treehouse Outdoor Education will be responsible for the logistical operation of this trip, arranging transportation (boats and buses), hotel (pousada), campsites, guides, technical equipment and restaurants for dinner on Friday 12th and lunch on Monday 15th.

The group will arrive in Paraty by late afternoon on Friday 12th, check in at Pousada Villa del Sol, get equipment ready and have dinner in town. The expedition begins on Saturday 13th. The bus will leave the group in Laranjeiras (20 km from Paraty), from there we will take fast boats to Ponta Negra (20 minutes) and then start the hike from the beach of Ponta Negra to the beach of Cairuçu, where students will camp.

On Sunday 14th the group continues the expedition, crossing from Cairuçu to Pouso da Cajaíba and from there to Praia Itaoca, location of the second campsite. The following day Monday (15th), the team will start early on its final trek to Saco do Mamanguá, ending at Praia do Engenho. At this beach boats will be waiting to take the group to Paraty Mirim (40 minutes), where the bus will be waiting to take us back to São Paulo, after stopping to have lunch in Vila Patrimônio.

We will make a short stop on the way back at a service station and should arrive back in São Paulo at about 22.00.

The main purpose of the Duke of Edinburgh's Award is to develop the students' life and social skills, and prepare them for forthcoming expeditions. They will participate in a range of challenging activities that will increase their self-confidence and independence. Students will be able to develop their communication skills, working effectively and willingly in collaboration with others. They will also be expected to act with integrity, a strong sense of fairness and show respect for each other and the group. Through the activities, students will also learn the importance of teamwork and develop a strong feeling of group awareness and strengthen friendships.

The cost of the expedition per pupil will be R\$1200 if 24 pupils attend. The school will contribute 50% towards the cost and therefore we will be asking the participant to pay for the other 50%, which will be R\$600 per pupil. Returning the consent form will imply that your son/daughter will be attending the trip and you will therefore be charged through the School Bill the cost irrespective if your son/daughter attends the trip.
