D | INFORMATION IMPORTANT

Accommodation

Students will be roomed in twins. Some hotels will add a rollaway bed to a twin to make a triple if necessary, but other hotels refuse to do this and therefore students may have to stay in singles. Adults will be accommodated in single rooms.

Overnight Train

Carriages on the overnight train are made up of 9 compartments with 4 beds in each. We will automatically purchase the remaining seats in compartments so that students are not sharing with strangers. The cost of this is included in the quote.

Coach Transportation In Russia

Coaches are fitted with seat belts. Students should wear the seat belts whenever they are in the coach. The maximum seating capacity per coach is generally around 50 in Russia.

Tour Manager

A Tour Manager will accompany the group throughout the tour and stay at the same hotels as the group and travel on the overnight train. Tour Managers are an extra pair of hands, available to assist in any way necessary to ensure a smooth travel experience for the group.

Passports

CHÃO NOSSO

VIAGENS CULTURAIS E TURISMO

Participants must have a valid passport, which does not expire earlier than 6 months after the date of the return from Russia. There should be at least 2 blank pages to allow space for the visa. Any student going on the trip must check their passports and apply for a new one if necessary as soon as possible.

Visas

Russian visas will be sourced in Sao Paulo. Group invitation and voucher will be provided free of charge. Visa prices vary according to nationality. Visas can take up to 3 weeks to process and your passports will be required for the duration, so please be aware of this when applying.

Special Requests

We will always do our best to accommodate any special requests and you should notify us of them on the booking form, or in writing as soon as they are known. However it may not always be possible and there may be additional costs involved.
