MANIBUS POTENTIA STUDIUM ANIMIS

8th June 2015

Dear Parents,

### COMMUNITY SERVICE VISIT TO LIGA

On **Tuesday 16th June** the Form 4 pupils will spend their final morning working at Liga Solidaria followed by an afternoon's talk entitled *Capacitação de Voluntariados* from one of the employees at Liga Solidaria. The pupils will leave from school at 8.30.

### BIOLOGY FIELD TRIP TO SÃO PAULO YACHT CLUB (SPYC)

On **Thursday 18th June** Form 4 pupils will go to the SPYC to do some ecology work that is an important part of the IGCSE Biology course. It will give them the opportunity to work in the environment and gain first-hand experience of the techniques required by the syllabus. The day trip has been designed to cover many sampling techniques and theory. Pupils will be using specialised equipment to collect data that they can then analyse, draw conclusions from and evaluate in an assessed coursework. The group will be leaving from school on 8.30 and returning for 2.45.

The four biology teachers accompanying the trip will be Dr Hartmann, Miss de Lima, Miss Knowles and Mr Ford. Mr Green will also be going on the trip.

#### What to wear for the biology field trip

For both outings, pupils can come to school wearing casual clothes. The weather at this time of year is variable and so once we know the forecast then Dr Hartmann will write to you next week with a list of items they should wear.

The venue is: Yacht club de São Paulo – SPYC (<http://www.spyc.com.br/>)  
Rua Francisco de Seixas, 225, Santo Amaro, São Paulo. SP, 04770-060  
Contact number: (11) 5523-8366

Please sign the attached consent slip. The slip is required for all pupils to visit. Please feel free to contact me on [cah@stpauls.br](mailto:cah@stpauls.br) should you have any questions. Pupils must return the consent form to the form tutors by the end of this week.

Yours sincerely,

Paul Morgan

It must be emphasised that, as well as being an exciting experience for your son or daughter they will be representing St. Paul's School. It is imperative that the pupils understand the need to abide by instructions to ensure their own safety and the smooth running of this Field Course. Should pupils decide not to abide by these expectations then the possibility exists that they may be returned home at the parents' expense. We would be grateful if you could reinforce this message at home.
