MANIBUS POTENTIA STUDIUM ANIMIS

27th November 2014

Dear Parents,

FORM 4 IGCSE GEOGRAPHY FIELD TRIP TO LOCAL PARKS – Thursday 26th February 2015

On Thursday February 26, Form 4 pupils doing IGCSE Geography will visit three local parks to collect data for their coursework project (27.5% of their overall IGCSE mark). This project will look at public leisure and recreational facilities in São Paulo. Pupils will be mapping the land use and facilities in the three parks, as well as conducting short interviews with park users, to summarise their views on the amount of green space and recreational facilities on offer in the city. The parks to be visited will be Ibirapuera, Burle Marx and the Jardins Botânico.

The trip is being organised in conjunction with Chão Nosso, the agency the school regularly uses to organise fieldtrips. The group will be led by myself and also accompanied by Miss Devine and Mr de Oliveira, as well as monitors from Chão Nosso. The trip cost is included in the fees.

We will travel by private bus to and from school and will have a packed lunch (provided by school) in the Jardins Botânico. Pupils should bring a bottle of water, as well as a camera (photographs of the parks should be included in the project). Casual clothes should be worn but pupils will need proper trainers/walking shoes, a sun hat, sunscreen and rainproof jacket/umbrella. Very short shorts or revealing tops are not permitted.

We will be leaving school at 08.30 and returning at 16.30. On arrival at school in the morning, pupils should go to normal registration and then gather in the Covered Area before our departure.
