

St. Paul's School

MANIBUS POTENTIA STUDIUM ANIMIS

2nd May 2014

Dear Parents,

Harvard Model Congress Latin America is one of the largest conference simulations in the world offered by Harvard College. This conference is run entirely by Harvard undergraduate students and their goal is to provide an educational experience for high school students who are passionate about international relations and politics around the world. This is the first time that this type of conference is offered to Latin America and São Paulo will be the first city to host it.

The Conference will take place August 21-24 at the Centro Universitário Belas Artes. There is a registration fee of US\$275 to be charged through the school bill. The Conference will start on Thursday evening going through a full day conference on Friday and Saturday. The closing ceremony will happen on Sunday along with the final commendations and reflections. Delegates will have an opportunity to win awards for best delegations. This is a great opportunity for St Paul's students to practise their public speaking, negotiation and critical thinking skills by simulating international organizations and the United States government.

As we need to complete our registration this week, could you please indicate that you give your permission by completing the slip below and returning it no later than **Friday May 9th 2014**. Should you require any further details, please do not hesitate to contact either of us at the School. For more information about the conference, please go to: www.hmcls.org

Yours sincerely,
Celia Leu

It must be emphasised that, as well as being an exciting experience for your son or daughter they will be representing St. Paul's School. It is imperative that the pupils understand the need to abide by instructions to ensure their own safety and the smooth running of this Field Course. Should pupils decide not to abide by these expectations then the possibility exists that they may be returned home at the parents' expense. We would be grateful if you could reinforce this message at home.
