

## Lower 6 Group 4 Project - June 2014

The Group 4 project is a compulsory, assessed part of the IB Science Programme where students collaborate on a scientific or technological topic, allowing for concepts and perceptions from across the disciplines to be shared, encouraging an understanding of the relationships between scientific disciplines and the overarching nature of the scientific method.

**The theme this year is “World Cup Science”**

All of the Lower 6 will be involved in Weeks 18 and 19, irrespective of whether they are intending to continue on to the Upper 6 or not. The dates are:
