

St. Paul's School

MANIBUS POTENTIA STUDIUM ANIMIS

Please do not pass this message to your son or daughter at school

Dear parents of the Upper Sixth,

My name is Lisa Blackaby and I am the coordinator of the St. Paul's School yearbook for 2016. The school yearbook aims to celebrate the school year 2015-16 with photographs, articles and artwork of everyone in the St. Paul's community. The yearbook also commemorates the final year of the Upper Sixth, many of whom have been here since Pre-Prep, and highlights their contribution to the school over the past few years. The whole project is conceived, designed and put together by members of Form 5 to Upper Sixth as part of the yearbook club.

Again this year I would like to devote some pages for messages from the parents of the Upper Sixth, our leaving class of 2016. I would like you to write a short message (approximately 200 words) to your son or daughter commemorating the end of their time at St. Paul's and this is a chance for you to say how proud you are of their achievements and whatever else you would like to say as they reach the end of the Upper Sixth and the IB programme. You can write in Portuguese or English or in any other language you want to.

It would be fantastic if you could find a photograph of your son or daughter when they were the age that they started in Pre Prep, at about 3 years old. If they started at St. Paul's then, a uniform picture is great but if you were somewhere else in Brazil or the world, those photos are equally good. The photographs need to be digital and as high a quality (size or resolution) as possible.

You can send photos as JPG files by e-mail to the yearbook coordinator, Lisa Blackaby, lab@stpauls.br or leave a cd or pen drive with Guilherme at reception for attention of Lisa Blackaby. It will be returned for your collection from Guilherme two days later. Alternatively, I can scan the photos for you in two days and return them to you via Guilherme at the School reception.

Previously nearly all parents sent photographs which were published and I think they made a touching and memorable set of pages.

Since I have to hand most of the pages to our Yearbook publisher before Christmas, I would like to set a deadline for your message and photograph as **20th November 2015**.

If you have any other photos of your son or daughter with their friends from previous years at school I would love to see those too. They may be used in other parts of the yearbook.

MANIBUS POTENTIA STUDIUM ANIMIS

Since this has been done before, your son or daughter will guess that it is going to happen again, but please keep the message and photo used secret so it can be a surprise when the book is published.

Any concerns, please contact me.

Yours sincerely,

Lisa Blackaby
Yearbook Coordinator
