## Getting to St. Paul's School

St. Paul's School is located on Rua Juquiá in Jardim Paulistano, a leafy suburb in a pleasant residential area of the city. Nearby there are excellent shops and restaurants, as well as sports clubs and shopping centres. It is easily accessible by a number of buses that stop along Avenida Rebouças, and is about a 10-minute walk from Fradique Coutinho Metro station on the Yellow Line.

## Parking at St. Paul's School

The school is located in a residential area and there are no restrictions for parking over the weekend. However during the week there are restrictions that can make parking difficult. We recommend that visitors arrive at the school by public transport or taxi, especially during pupil arrival and departure peak times (7.30 to 8.30 am and 2.30 to 3.30 pm).

If you are visiting the school during the week, below are some alternative parking sites:

- ☛ Alameda Gabriel Monteiro da Silva (in front of the yellow eye clinic)
- ☛ Corner of Avenida Rebouças with Capitão Antonio Rosa
- ☛ Pão de Acúcar – Al. Gabriel Monteiro da Silva corner with Rua Absen da Costa

Please note that the school cannot be held responsible for any parking charges, restrictions or sanctions arising as a result of parking at these locations.
