

St. Paul's School

MANIBUS POTENTIA STUDIUM ANIMIS

14th May 2015

Dear Parents

School Fees Academic Year 2015 – 2016

I am writing to give you information about the fee levels for next academic year. The Board always give the fees careful consideration and are keen to try and keep the level of fee increase to the minimum that is necessary. The pressures of inflation and the rising prices of many of the key cost bases of the school mean that in order to preserve the quality of the educational provision the fees need to rise. In addition, in order to reward our staff appropriately, we must have competitive staff salaries, which are a significant portion of our expenditure and are determined by the teaching union agreements each year.

This year the fee rise will be 10.5%.

The following table includes details of monthly fees, the first payment being due at the end of June 2015.

MONTHLY FEE 2015/2016 - R\$	Tuition	Development Fund	Total
1st Child			
Pre-Prep 1 to Prep 5	5,004	360	5,364
Form 1 to Form 6 Upper	6,561	360	6,921
2nd and subsequent children of the same family			
Pre-Prep 1 to Prep 5	4,510	360	4,870
Form 1 to Form 6 Upper	5,900	360	6,260

I hope that you agree that the quality of education that we offer continues to be of the highest quality and I thank you for your support in my first year in the school,

Kind regards,

Louise Simpson
Head
