

## JASON RICHARD STEVENS

14 October, 1975 to 22 October, 2014

We were completely overwhelmed by all the kind messages, support and the number of people who came to Jason's funeral, and apologize to those to whom we did not manage to speak.

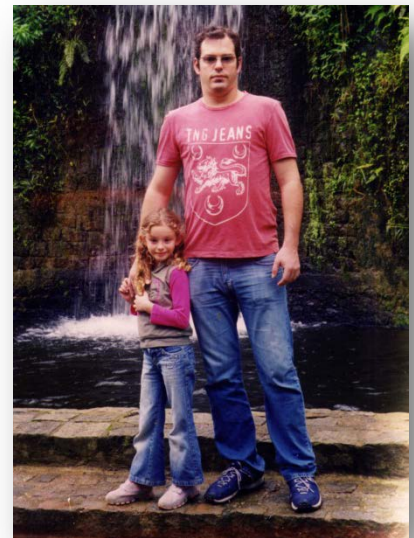

Nothing can prepare you for losing a son, brother and father in such a terrible way, but your words of comfort and stories of happy memories will stay with us and, in time, help to ease the pain.

Jason was in so many ways a 'big person' and with his exuberant, outgoing personality, he had friends from all walks of life.

He was an extremely generous person, who in his short life collected very few possessions, for he was constantly giving things away to those he felt needed them more than he did. This generosity of spirit guided everything he did.

He was a wonderful, loving son, brother and friend, but above all, a devoted father to his beloved Isabella. His presence in our lives will be so deeply missed, but we take comfort in the thought that he died doing what he did best, trying to help others.

Love and Peace forever.
