In order to intensify the experiential value of our tours, PDM provides the "PDM Plus". A well-balanced set of add-on activities which you can select according to your personal preferences:

#### + Education & Culture

**Get in contact with the European culture:** Take part in a city quest rather than an ordinary city tour, go "behind the scenes" at theatres or meet members of the European Parliament.

#### + Community & Relation

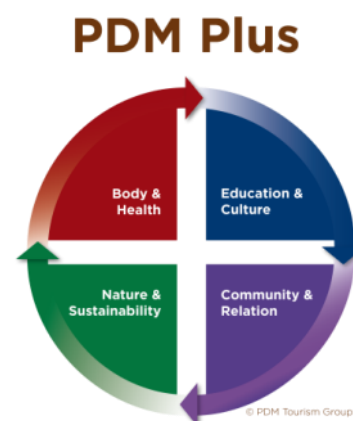

**Experience your host country like a local:** Enjoy home dinners, get in contact with local schools and share sport activities or spend a day on an Italian farm helping at the harvest.

#### + Nature & Sustainability

**Join our Corporate Social Responsibility efforts:** Be part of one of our projects: river cleaning, social activities with retirement homes or reforestation.

#### + Body & Health

**The ideal physical-mental balance:** Play sports with locals, have training camps together with local clubs or benefit from a menu planned by dieticians.
